

It's Time Again to Prepare for That Great Get-Together

Chairmen of the various committees for Homecoming spend a few minutes inspecting equipment. They have the task of producing a well organized program, for the week end of October 26 and 27. Left to right: Melvin Clothier, student chairman; Bill Coker, Sig Tau president; Jane Costello, Alpha Sig president; Betty Wilson, Tri Sig president; Bill Arnold, Air Force representative; Oretta Knipmeyer, Independent president; Bill Conroy, Air Force representative. Kneeling are W. E. Ogden, Phi Sig president; and Jo Ann Coulter, Delta Sig president.

Homecoming Preparation Hits Stride; Has Active Participation

Central Committee Issues Information Sheet; Sends Invitation to Alumni; Publishes Policy

Homecoming is just a little more than two weeks away. All the enjoyment from the gala events that will take place over the momentous week end is being worked for now! Dr. John Harr, general chairman, and Mel Clothier, student chairman, have outlined the week end of October 26 and 27 and have made elaborate information sheets covering the responsibilities of each special committee.

"Despite several complicating factors," asserts Dr. Harr, "it looks as if present plans are speeding full steam ahead."

Programs have been mailed to the alumni announcing Homecoming and extending an invitation to them to participate.

Contract Lee Barron

A contract with Lee Barron and his orchestra, currently appearing in Omaha, Nebraska, has been signed and returned for affirmation.

Today, queen candidates will be voted upon by the students in a special primary in order to eliminate the candidates to five for the regular campaign. The organization which submitted the name of a girl who is selected to be one of the five finalists is obligated to support her campaign.

In the special Homecoming information bulletin issued to every organization, the general policy for point and monetary awards has been announced.

All Compete

As in the past, each organization on the campus is competing against the others for a supremacy trophy. The winner of the trophy is determined by the number of points it can earn through successful participation in the Homecoming activities.

Last year the Alpha Sigma Alpha won first place with 19.5 points. In 1949 the Cooperative Independents and the Sigma Sigma Sigma tied for the trophy, and in the first year it was offered, the Sigma Tau Gamma garnered the most points. An organization must win it three times before the trophy can be retained.

Point System Is Used

The point system is based upon five points for first place, four for second, etc. There are five divisions

Musical Assembly Is Next Offering

Famous Singers Will Co-Star in Program

Superb musical entertainment is promised in the program to be presented by Miss June Browne and Mr. Daniel Cobb in the College auditorium, October 24, at 10 a.m.

Miss Browne, coloratura soprano, has been the star of MBS-WGN's "Theatre of the Air" and of the Chicago Grant Park series. She has been soloist with the Fort Wayne Symphony and featured soloist on ABC's new program entitled "Stars in the Night" and "Illusion." Miss Browne is currently in her fifth year as soloist with "The Northerners."

Mr. Cobb, lyric tenor, has been a singing star of the following Broadway musical hits: "Oklahoma," "Saddle Thompson," "Waltz King," "Sweethearts," and "Passing Show of 1946." He has also had featured roles with the Indianapolis Starlight Musicals and with the Philadelphia Opera Company.

Miss Browne and Mr. Cobb were featured duo-artists with the Indianapolis Symphony Orchestra and at the Chicago Theatre.

A typical presentation of "In Opera Time" by Miss Browne and Mr. Cobb includes music by such favorite composers as George Gershwin, Sigmund Romberg, Jerome Kern, Rodgers-Hammerstein, Giuseppe Verdi, and Victor Herbert.

Dance Decorative Scheme Is Design Stressing Beauty

Unusual ideas have been suggested for decorations for the Homecoming dance. Working without a central slogan, the decorations committee, headed by Beverly Pile, has decided to use many schemes.

The dance will be held in rooms 113 and 114. Both rooms will be decorated with the same design.

Barron Will Be in Room 113
Lee Barron and his orchestra will be located on the platform in Room 113. The platform will be built outward in downward tiers. Over the orchestra, in a tentlike fashion, will be a covering in colors.

Around the walls, in each of the rooms and along the center line will be a large white strip. Immediately below this strip, extending to the floor, will be a black strip. Above the medial white will be a variety of silhouettes designed in black and white.

Artificial white flowers with black stems will be placed by the silhouettes for a more sophisticated, decorative effect.

Will Use Mirrors

Introductory to this campus will be the ceiling decoration. This will be a huge revolving array of mirrors. From selected locations, colored spots will be focused upon these mirrors, and the center piece, in its revolutions, will reflect scintillating rays.

The hallway immediately in front of the two dancing rooms will be used as a lounge. Tables and chairs will be placed amid the decorations.

The committee also plans to use other minor decorative schemes, but as yet has outlined only the major designs. The Air Force will contribute much to the success of this project.

Notice

All organization pictures for the 1952 Tower will be taken the week of November 12-16. Organizations are requested to be ready for the pictures by this time.

Teachers Hold Thirty-fourth Annual Meeting

Selective Service Tests Will Be Given in December and April

The following bulletin has been released from the office of Dr. J. W. Jones, president of the College:

"Plans for the second nation-wide series of Selective Service College Qualification Tests to provide local boards with evidence of the aptitude of registrants for college work for use as guidance in considering college students for deferment have been announced by Selective Service Headquarters.

"The new series of tests will be given on Thursday, December 13, 1951, and on Thursday, April 24, 1952, by the Educational Testing Service at more than 1,000 different centers throughout the United States and its territories. Application blanks for the test will be available at all local boards on October 1.

"As before, the criteria for deferment as a student are either a satisfactory score (70) on the test or satisfactory rank in class (upper half of the freshman class, upper two-thirds of the sophomore class, upper three-fourths of the junior class). Seniors accepted for admission to a graduate school satisfy the criteria if they stand in the upper half of their classes, or make a score of 75 or better on the test. Students already enrolled in graduate schools may be deferred so long as they remain in good standing. It is not mandatory for the local boards to follow the criteria.

"Students whose academic year will end in January 1952 are urged to apply for the December 13, 1951, test, so that they will have a score in their file when the local board reconsiders their case in January to determine whether they meet the criteria for further deferment as students.

Application blanks for the December 13, 1951, test must be postmarked not later than midnight, Monday, November 5, 1951. Applications for April 24, 1952, test must be postmarked not later than midnight, March 10, 1952. Applications which are postmarked after midnight, March 10, 1952, will not be accepted.

"To be eligible to apply for the test, a student: (1) must intend to request deferment as a student; (2) must be satisfactorily pursuing a full-time college course; (3) must not previously have taken a Selective Service College Qualification Test."

Thank You

Captain H. M. Wandrup and The Air Force Personnel of the 3475th School Squadron

On behalf of the student body of this college I wish to thank you and the Air Force personnel for the fine dance and evening's entertainment which you made available on September 28.

J. W. Jones
President

Brings Greetings

Miss Margaret Schowengerdt, president of the Missouri State Teachers' Association, will bring greetings to Northwest Missouri teachers.

Noted Speakers Will Attend Gathering of Educators Here

Tomorrow and Friday, October 11 and 12, school administrators and teachers from Northwest Missouri will be in Maryville attending the thirty-fourth annual meeting of the Northwest Missouri Teachers Association.

Dr. J. W. Jones, president of the College, will welcome association members at the first general session. His welcome will be acknowledged by Mr. J. O. Teasley, president of the group.

Other general officers of the association are as follows: G. Frank Smith, Cameron, first vice president; Martha Copeland, Plattsburg, second vice president; Luther C. Skelton, Eagleville, third vice president. The executive committee of the organization includes Mrs. W. Leslie Myers, Plattsburg; Harold G. Tuckett, Savannah; C. A. Bristow, Maryville.

N. E. A. Director Comes
Speakers at the first session will be Mrs. Effie O. Stanfield, South Central Regional Director, National Education Association, Department of Classroom Teachers, McAlester, Oklahoma, and Dr. Gerald Benjamin, professor of education and head of the Division of Social Foundations of Education at George Peabody College, Nashville, Tennessee.

On Thursday afternoon, Miss Margaret Schowengerdt, president of the Missouri State Teachers Association, will bring greetings to the Northwest Association from her group.

Edward Morgan Returns
Mr. Edward P. Morgan, Director of Enforcement, Office of Price Stabilization, whose 1951 commencement address here won much favorable comment, will speak Thursday afternoon concerning "Education's Role in the Preservation of Freedom."

Mr. Morgan, who was graduated from the College in 1934, will speak again at six o'clock that evening at a dinner meeting of the Knights of the Hickory Stick to be held in the First Methodist church.

Teachers Will Be Guests
Thursday evening the teachers will be the guests of the College at the Bearcat-Rolla Miners football game.

On Friday morning, Dr. Gerald Craig, professor of natural science, Teachers College, Columbia University, New York, will speak to the assembled group. Later they will adjourn to departmental and sectional meetings.

In the final session on Friday afternoon, new officers will be introduced and the group will hear addresses by The Honorable Hubert Wheeler, Missouri State Commissioner of Education, and Dr. Wm. McGovern, professor of political science, Northwestern University, Evanston, Illinois.

Dr. Harold Benjamin, Peabody College, Nashville, Tennessee, speaks tomorrow at 10:20 a.m. on the subject "For What Do We Teach?"

Missouri Women's Press Club Holds Fall Convention

The fall meeting of the Missouri Women's Press Club, held in Booneville, September 29-30, was attended by Mrs. M. E. Ford, Mrs. Virginia Coe Hamman, Miss Mattie Dykes, and Miss Violette Hunter.

Miss Dykes, president of the National Federation of Press Women, was the guest speaker at the banquet Saturday evening at the Hotel Frederick. Miss Dykes, for many years faculty editor of the Northwest Missourian, teaches English language and literature and classes in feature writing. As president of the national group, however, she is a frequent guest and speaker at state and national meetings.

Mrs. Hamman, who has been appointed corresponding secretary of NWPC, and Mrs. M. E. Ford, who served as chairman of the state nominating committee, participated in the Booneville program.

From South Dakota Will Come Ancient German Passion Play

Each summer in an amphitheater outside Spearfish, South Dakota, and throughout the nation in winter tours, Josef Meier raises his arms in quiet, but insistent pleading to say: "Oh, ye children of God, Ye who live and breathe in this infinite joy, open your hearts, and receive with childlike confidence His great message."

Those words from the prologue set the mood of the Passion Play, brought to this country nineteen years ago from Germany by Meier, who plays the Christus in the Black Hills Passion Play.

One of five major European Passion Plays, that Meier produces and directs, the Black Hills presentation originated in Lunen, Germany, and is said to be the oldest version, presented as early as 1242 by monks of the Cappenberg monastery.

Meier, after becoming a U. S. citizen in 1938, vowed to make the Passion Play a permanent American institution. He began looking then for a vast outdoor theater site.

Spearfish, South Dakota, was seeking a tourist attraction. Businessmen promised the money for the Passion Play to be taken there, and after performances at the Black Hills Teachers college, the men and Meier located the home of the play, a hill and valley near the college.

Students and citizens of Maryville will have the opportunity to see the Black Hills presentation at the College auditorium, November 8, 9, and 10.

Molla chapter of the Shriners is sponsoring the play locally. James Vann is the local general chairman; Mr. James Cook is in charge of publicity; and Mr. James Bryant has charge of tickets and reserved seats.

ALUMNI

Make your reservations now for the Variety Show! For twenty-five cents you can be guaranteed a seat for these colorful skits Friday, October 26. Mail reservations to the Field Services Office, State College, Maryville.

State College Presents Patrick's "Hasty Heart" Comedy Next Monday and Tuesday Nights

By BETTY EISMINGER
"The Hasty Heart," a three-act comedy by John Patrick, will be presented by the College speech department Monday and Tuesday evenings, October 15 and 16, at 8:15 p.m. in the College auditorium. The production is under the direction of Mr. Biffie Moore.

Set in the ward of a British hospital somewhere in the Southeastern Asia command during World War II, the plot evolves around an anti-social young Scotchman, Lachlan, who is unaware that he is going to die.

Falls In Love

Resisting at first all friendly overtures from the other men in the ward and the nurse in charge, Lachlan gradually realizes that they are really his friends. Eventually he falls in love with the attractive and sympathetic nurse, Sister Margaret. All is well until Lachlan discovers that he is going to die. Immediately he decides that the other men have been kind to him only because of his condition, and he refuses to listen to any of their explanations or entreaties. Although the play is centered around a sober theme it ends on a light note.

Served Under Montgomery
"The Hasty Heart" was obviously inspired by the author's observations in the line of duty while serving as a captain in General Montgomery's Eighth Army unit. It reflects his sympathy with people and faith in the brotherhood of man.

One of the interesting features of the play is the use of various dialects. Besides an American, there are an Australian, a New Zealander, an English Cockney, a Basuto tribesman, an English colonel, the English nurse, and, of

In Costume, Kilts Are More Realistic

Obviously, interest does not always lie in the same direction. Who can say which will prove to be the more appealing—the kilts or the hand-some features of Lachlan? Left to right: Clayton Fox, Lachlan; David Cook, Tommy; Alex McTaggart, Digger; Marian "Pat" O'Neal, Margaret.

course, the Scotchman, Clayton Fox.

Clayton Fox, a member of the Air Force from Mystic, Connecticut, has the leading role of Lachlan, the embittered Scotchman. Previously Clayton has taken part in "Winter set" by Anderson and various musical productions, such as "Vagabond King," "La Gondoliers," "H. M. S. Pinafore," and "Mikado."

The lovely English nurse, Margaret, will be played by Marian "Pat" O'Neal. A junior from Tingley, Iowa, Pat has had experience in high school plays.

Martin Whelan
Yank, the American up-patient, is Martin Whelan, a junior from Toledo, Ohio. Martin is a newcomer. (Continued on Page Two)

Special Committee Plans Dual Showing of Gala Variety Show

One of the most popular phases of Homecoming is the Variety Show, and because of this popularity the auditorium where past performances were staged was so packed that many alumni, students, and friends had to be turned away because of the lack of accommodation.

But now something has been done to help all to see this colorful pageant of skits. Under the suggestion of the main Homecoming committee, and through the direction of Sue Condon and Dwan Wick, co-chairmen; and Jean Long, Mr. Ralph Fulson, Mr. Biffie Moore, and Dr. Frank Grube of the Variety Show committee, a performance for Thursday and Friday nights has been scheduled, with the Friday performance being limited to reservations.

Alumni May Reserve Seats

A letter has been sent to the alumni advising them to make reservations for the Friday night show, auditorium where past performances were staged.

Students and Air Force, however, may obtain reserved tickets

kets to the Friday performance

Thursday night. The alumni are given until then to make reservations, after which the remaining available seats will be released.

Beginning today all skits for the Variety Show, October 25 and 26, will be viewed individually by the Variety Show committee until Friday the 19th. The shows will then be coordinated into a program and rehearsal as such will begin in the main auditorium the following Monday.

Holds Individual Rehearsals

In an effort to maintain the high quality of skits which have been presented in the past, Mr. Ralph Fulson will use the individual rehearsal period to weed out those which do not merit originality and interest and do not measure up to the high caliber which the previous years have had.

As yet no official theme has been named for this 1951 Homecoming. The skit, however, should be built around some phase of Homecoming, preferably applying to this Homecoming and Maryville activities.

Assemblage Will Select Five Candidates for Queen Contest

Students, faculty, and Air Force will select five girls this morning in a primary election for Homecoming Queen.

Each person attending the assembly will be given a ballot. The second half of the assembly will be devoted to the introduction of the eleven girls who received nominations from the various organizations on the campus. The assemblage will then be asked to vote for five girls and to deposit their ballots when leaving the auditorium.

The eleven girls who are vying

for this special honor and their backers are: Joyce Baker, "M" Club, Air Force Groups 21 and 22; Joan Hansen, Senior Class; Joanne Hartell, Phi Sigma Epsilon; Joan Kowitz, Home Economics Club; Marilyn Litton, Independent Club; Mary Lou Moore, Delta Sigma Epsilon, Air Force Groups 17 and 18; Dorothy Noelsch, Kappa Omicron Phi; Lillian Pease; Pi Omega Pi; Bea Straight, A. C. E.; Mary White, Sigma Sigma Sigma; Jo Ellen Wilson, Dance Club; Harriett Watson, Air Force Groups 19 and 20.

Candidates who are finalists will be financially backed by the organizations that nominated them. Active campaigning will be conducted from today until Wednesday, October 24, when one girl will be selected to reign over the Homecoming proceedings.

Last year, a group of judges from the city of Maryville selected the girls who would be finalists. This renovating policy for this year will enable the students, faculty, and Air Force to vote at the primary.

Former Student Dies

Miss Chloe Compton, who received a 60-hour certificate from the College in 1915 and who was a teacher for many years in the Omaha public schools, died September 21 after a lingering illness. While here, she was prominent on the campus in the literary society and other organizations. Services were held in Omaha, September 22, and in Patonsburg, Sunday, September 23.

Miss O. S. DeLuce has been displaying some of her paintings in the second floor exhibit case since the beginning of the fall quarter.

The paintings have included an abstraction in tones of grey; a scene from Estes Park, Colorado, entitled "Forest Canyon"; and currently, a portrait study of a former student of the College, Harriet Harvey. Miss Harvey received her Ph. D. degree from Chicago University in 1951 and is now teaching at the University of Tulsa.

All of the paintings are in oil and show a variety of subject matter and treatment.

Miss DeLuce has studied extensively in the United States, as well as in France, and has exhibited widely.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to inculcate a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

FACULTY ADVISER Miss Violette Hunter

LOOK CAREFULLY

Annually throughout the entire nation there are numerous contests of female pulchritude, the culmination of which takes place in Atlantic City, N. J., in the now world-famous fight for the cherished title of Miss America. The eyes of the admiring male turn upon this small resort city and each person views his favorite with the proper amount of respect and awe.

As in all such forms of entertainment there are favorites and much banter between the contestants, publicity agents and backers. However it is believed that the judging is virtually impartial.

Likewise in the local sphere, here in Maryville, there will be a great deal of good-natured publicity, above-board campaigning, and the unintentional heartbreaks in the forthcoming Homecoming Day Queen Contest.

The object of the contest is to select the girl most worthy of carrying the title of Homecoming Queen, no matter who sponsors the talented creature.

Look carefully and use your vote wisely; even if it isn't your candidate, be cosmopolitan. 'Sides it's ah—shall we say, interesting?—to look over the field. A clean-cut, out and out selection of the prettiest girl is the ultimate goal.

—Walt Kossmann
Air Force, Group 18

ANOTHER STREET WOULD HELP

Traffic control has become such a problem on the campus that it has necessitated the hiring of a policeman. No wonder!

Persons who live only four or five blocks from the College have to drive ten or fifteen blocks because of the impassability of Seventh and Ninth streets.

Why can't the city and the College repair these streets? Why should everyone have to use the Fourth Street entrance?

In case of emergency wouldn't it be more sensible to have more than one entrance which can be safely traveled? Take, for example, the dormitory fire last spring. A neighboring fire truck responding to the call for help nearly lost its ladders and supplies while arriving via the Ninth Street entrance. It compensated for the bad condition of the street by proceeding slowly while the dorm blaze gathered strength.

Repairing the roads would make a safer campus and a more beautiful one. What are new-comers to think if they must watch continually to avoid hitting holes and rough places which might damage their cars?

—Dean Wintermute

MANY HAVE HELPED

Since the redecorating of the Smoker started, a long delay seems to have occurred. Now we are just about back to normal except that the Smoker looks much better and cleaner.

There are a number of people who really pitched in and did a good job. Among these are the following student senators and interested people: Stan Ogden, Jo Cutler, Jean Long, Mary Ellen Daniels, John Yurchak, Marty Ingles, Beatrice Straight, Lucille Steinhauser, Herschel Neil, Dick Gordon, Harry Yungshlager, Larry Huddle, Marilyn Brown, Dick Jenkins, and Wilbur Wright.

Mr. Lon Wilson has been invaluable in furnishing materials and equipment. Dr. Sterling Surrey and Dr. Frank Grube, Senate sponsors, have done their share, too, as well as many other people who are not listed here.

Remarks have been heard about the color scheme for the Smoker, but the best one was from one of our faculty members who said, "I like those colors because they fit the character of the room."

We don't know whether this subject of the "character" of the room has anything to do with it or not, but the Senate would like to ask that you help keep the Smoker looking as it looks now.

—Richard Gordon

From the Air

By Kossmann and Forster

1 Oct. 1951

... it seems to us that the inevitable signs of growing coldness are vividly apparent. Sniffling noses have taken the place of sweating brows, fingers stiffen over the keyboards of hundreds of hot Underwoods, woolen socks and longjohns have made their annual appearance, and cold showers have long lost their glowing appeal.

The fact that birds have decided to move indoors seems to produce an atmosphere much like the gallery at a local zoo. The \$64 question in the gym reads much like a line spoken by a famous philosopher (Pete Smith) "Who's looking at whom?"

Added to this we have the rhythmic beat of the steam pipes which produce a much more effective means of arousing one from the charms of Morpheus than Sgt. Richards' imitation of a football referee on the kick-off.

Middleman Business

As October rambles on towards becoming history, indications of poverty are becoming evident. George Nathan again starts scratching his brow, wondering how to run the middleman business on growing sheets of credit slips and Bill Davis is again filling his little black book with the monikers of money-shy Airmen. The luscious dreams on and about October 1 have slowly attained the ever-present aspect of nightmarish dollar deficiencies.

Debts Away

November is debts away and many "Boys in Blues" have been reduced to the depths of pecuniary penury, that is, the \$1 a day budget scheme. It takes a great deal of courage to realize one's circumstances and be willing to sacrifice the companionship of vital necessities such as Gristleick or Budweiser and the one-armed bandits at the Elks.

Television at the aforementioned emporium of entertainment has achieved a popularity surpassed only by the Browling Room of the Library. To what doldrums of indigency can one be lowered?

A word of thanks to the generous patron who has so aptly filled our request for appropriate covering in accordance with our station in life. It has been voiced among those who know that the forthcoming jaunt to Offutt Air Force Base will result in the acquisition of necessary garments by the members of Groups 17, 18 and 20.

Religious Emphasis Program Is Planned

Religious Emphasis Week, November 4-8, is a good time for all to renew faith in God.

Committees are working with the faculty to bring the best program possible. Won't you help?

Psalm 150

Praise ye the Lord; Praise God in his sanctuary; praise him in the firmament of his power.

Praise him for his mighty acts; praise him according to his excellent greatness.

Praise him with the sound of the trumpet; praise him with the psaltery and harp.

Praise him with the timbrel and dance; praise him with stringed instruments and organs.

Praise him upon the loud cymbals; praise him upon the high sounding cymbals.

Let everything that hath breath praise the Lord. Praise ye the Lord.

Marcia Fellows Makes Perfect English Score

Marcia Jane Fellows, freshman from Fairfax, has made a perfect score on the Cooperative English Test A, Mechanics of Expression, Form T, according to Miss Martha Locke, dean of women.

Of this achievement, Mr. Oscar C. Schupp, director of research and statistical information of the State Department of Education says: "It is very unusual for a student to make a perfect score on any test, especially the 'Mechanics of Expression'."

"Miss Fellows also tied the high score in the social studies of the Cooperative General Achievement Test."

Music Major Students Hold Informal Recital

Music major students held the first of a series of informal recitals in Room 414, Monday, at 7:45 p.m.

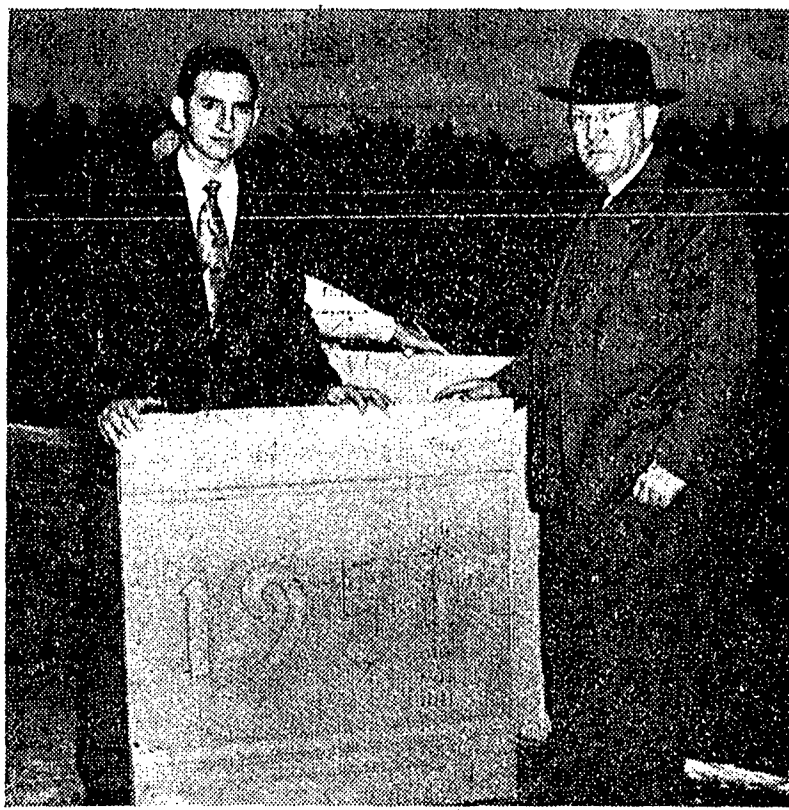

Two other recitals are scheduled for October 15 and 20. Mr. John L. Smay, who is in charge, invites anyone who is interested to feel welcome to attend these recitals.

Bishop James Baker Is President Jones' Guest

Bishop James C. Baker, of Los Angeles, who presided September 29, at the annual Missouri conference at the Methodist church, was a guest of President and Mrs. J. W. Jones while he was in Maryville.

Bishop Baker is a native of Coffey and holds an LL.D. degree from Central College at Fayette. He is a former president of Simpson College and director of the school of fine arts at the University of Iowa.

Two Presidents Lay Union Stone

One more step toward the completion of the Student Union building was taken when the date stone was placed on September 28 by Richard Gordon, student body president, and Dr. J. W. Jones, president of the College.

Quill Quibblings

Much Ado About Nothing

There is a division of students on this campus: the Air Force and the regular students. Each has the game rights and privileges, though, and until recent developments, there was no question to the limits of Air Force participation in student events.

The big explosion developed over the policy of voting to select a queen for Homecoming. Although the official Homecoming Committee, representative of all organizations on the campus, has extended a formal invitation to the Air Force to participate in all Homecoming activities, there is still some opposition to such an act.

It's a disgraceful opposition, one which should not be condoned to any extent, because of the irrational reasons and arguments.

The only real negative point in the approach to the problem is this: Some feel that the Air Force, as a voting unit, can form a bloc and "push" their candidate into the queen position.

Air Force Is Cooperative

Progress thus far has indicated that such unifying action will not take place. The Air Force is operating and competing with the students on the campus for several candidates.

Each of these uniformed men is an individual; each will have his likes and dislikes; and when it comes to selecting women, there can be extreme variances. Consequently the Air Force participation in this queen contest is going to be more individualistic than organizational.

Why Prevent Cooperation

Above all, no one wishes to promote any antagonism between the students and the Air Force. Any effort to prohibit cooperation between the two in participating in Homecoming together is certainly a step in that direction.

College students should act maturely in their relations with others. There should be no "thumbs down" policy indicative of a jealous adolescent; rather it should be an "open hand" policy to develop into a warm handshake of cooperation in this great Homecoming celebration.

Thinking positively and constructively is much better than structuring negatively and begrudgingly. In this question of voting for the queen, positive thinking soon proves to be realistic thinking.

—Herbie Awe

State College Presents Comedy Next Monday

(Continued from Page One)

er in the field of acting.

Alex McTaggart

Digger, the Australian, will be portrayed by Alex McTaggart, a member of the Air Force from Long Island, New York. While attending St. Mirin's Academy in Paisley, Scotland, Alex played in Shakespeare's "Merchant of Venice" and others.

David Cook

David Cook, a sophomore from Bedford, Iowa, has the part of Tommy, the English soldier with a Cockney accent. David has had acting experience in high school plays.

Ray Nixon

Playing the role of the English colonel will be Ray Nixon, a junior from Lenox, Iowa. Besides "high school plays, Ray has had parts in the College productions, "There's Always Juliet" by Van Druen and "The Father" by Strindberg, which were given last year.

"Bill" Hunter

William "Bill" Hunter, a sophomore from Grant City, has taken the role of the English orderly. Bill has been in various high school plays and musicals.

William Hesler

Kiwi, the "New Zealander," will be played by a member of the Air Force, William Hesler, from Highland Park, Illinois. In addition to three Shakespearean plays, "Winter's Tale," "Othello," and "As You Like It," he has also been in "Skin of Our Teeth" by Wilder, "Lilom" by Molnar, "Electra" by Sophocles, and others.

Harley Hackett

Blossom, the Basuto tribesman who knows only one word, is portrayed by Harley Hackett, a sophomore from Dearborn. Harley has had roles in high school productions.

Production Group

Students working on the production are Roberta Cronkhite, assistant director; Tad Allen, production manager; Wendall Brown, stage manager; Frank Babb, assistant stage manager; Bill Hull, publicity; Bill Hunter, lighting technician; Betty Elsminger and Martin Whelan, properties; Evelyn Spring, costumes; Sue Hood and Shirley Watson, make-up.

Members of the scene construction crew are Clyde Hulet, Richard Jenkins, Bernard O'Dell, Floyd Adams, Rosayn Richardson, and Martha Judah.

Lieutenant Jerry Morrissey, a former student, who is stationed in Alaska, recently flew to the United States to attend a conference in Ohio. He was a visitor on the campus October 3.

He now works in the Weather Service Department of the Alaskan chain of islands and in his spare time manages to do some hunting. His locker is the proud recipient of moose, ptarmigan, ducks, and geese.

The Stroller

Bill Gram, who has suddenly become the Beau Brummel of the campus, showed up at the Air Force Dance with a beauty—full blonde and at the William Jewell game with not one, but three girls—two redheads and a brunette.

Ben Straight is being seen everywhere with one Killer Ramsey. (Lucky Boy!)

Andrey Bentall is knitting socks like crazy. Don't get excited, fellows; they are for Dave. He is in Manila.

Could the cause of Barbara Coy's elation be the fact that "Buzzy" has arrived? Yup, could be!

Bruno Oakerson and his fabulous brown polkadot shorts are the envy of the male half of the student body.

George Haws and friend were politely trying to talk the Maryville recreation center out of a pool cue. Politeness pays in the end. At least they say it them.

The quantitative analysis class thought that the odor they smelled while listening to one of Dr. Strong's lectures was merely a routine laboratory smell. When the odor increased, J. C. Hall asked if he shouldn't investigate. As usual, William Homedale came up with the answer. "Fire Bug Willie," as he is now known, had stuck his pipe in his pocket as he rushed to class, and it had ignited some matches.

It seems that at certain times Mary Jo Winn isn't capable of standing alone. One of these times was at the William Jewell game, wasn't it?

ORCHIDS AND ONIONS DEPT: Orchids to—Everyone who took a few minutes out Saturday to visit Bert Steele.—To the "M" Club for the new flagpole that now decorates Memorial Stadium.—To the Student Senate for the job they are doing on the smoker.

Onions to—The few who still continue to drive at breakneck speed around the campus. Be careful! You may be driving to a funeral—your own, perhaps!

New Record

Dr. J. W. Jones, president of the College, announces that 1542 students are now on the campus, the largest number in 45 years. This enrollment includes 794 civilian students, 325 Air Force students, and 423 Horace Mann students. The total breaks the record set in 1924 when 1461 were enrolled in College and 30 in Horace Mann.

Richard Gordon May Be Sent to NAM Congress

Richard Gordon, senior student of the College, has been selected as a possible student delegate to the 56th Congress of American Industry of the National Association of Manufacturers.

This Congress annually attracts some 3,000 outstanding businessmen and industrialists, and serves to focus attention on national and world problems.

Students from other campuses in Missouri will be also suggested and the delegate from the state will be drawn impartially by "lot." A student will represent each state and the District of Columbia at the Congress.

If Richard's name is selected, he will receive an expense free trip to New York City and will attend sessions of the congress from Monday, December 3, to Saturday noon, December 8.

Band Marches in Grand Style at Jewell Game

Northwest Missouri State saw its band perform in grand style at the game with William Jewell, Saturday, September 29.

Charles Watson, drum major, led the band down the streets of St. Joseph in the afternoon pep rally.

William Jewell and the College were saluted by the band with the appropriate letters and respective Alma Maters.

William Jewell's band followed with a salute to the freshmen, sophomore, junior, and senior classes.

Mrs. Earl Nadeau, the former Ena June Garrett, of Lancaster, Pennsylvania, and her son expect to be here for Homecoming.

Patronize Missourian Advertisers.

Vet Village News

By HOMER A. BAXTER

Louis Melkowski and family were visitors in Vet Village September 22. Mr. Melkowski is a graduate of Northwest Missouri State College and formerly lived in Vet Village. He is now employed by Armour in St. Joseph in the payroll department.

The Trunian Geer family visited relatives in Harris County over the week end of September 29 and 30.

Attend Farewell Dinner

Mr. and Mrs. Robert Carey went to Messena, Iowa, September 30, to attend a farewell dinner for Mrs. Carey's brother who is going overseas.

Mrs. Dorothy Slaughter spent the week end of September 29 and 30 in Kansas City with friends.

Air Force Provides Music, Food, and Fun at Party

"Food hath charm." The bards of literature would shudder at this remark but, as is evident, students and Air Force found it to be true as they gathered around the refreshment table at the Air Force dance, September 28. Left to right: Gaylord Allen, Mizella Lemar, Jane Glenn, F. D. Patterson, Ethel Bensen, Lawrence Ravert, Sgt. Kenneth Richards, Frances J. Oaks, Mabel Daranyi, Louise Novinger, Gilbert Bustamante, Jean Creger, Herschel Neil, Wilber Cassidy, George Anderson, Mary White, Maria Ardiles.

Air Force Men Are Hosts At Gala All-School Party

Air Force students were the hosts at an all-school dance, Friday, September 28. Dutch Young's orchestra furnished the music, and a large crowd was in attendance. Rooms 113 and 114 were decorated with colored streamers.

A basket of fall flowers and gold tapers centered the refreshment table. A. F. letters were spotlighted on the east wall of Room 113, and other baskets of beautiful flowers were used throughout the room.

Under the direction of Sergeant Kenneth Richards, the following eight men served refreshments: Don M. Parks, New Madrid; Joseph A. Minnich, Dayton, Ohio; Norris O. Thompson, Jr., Dayton, Ohio; William G. Thompson, Dayton, Ohio; Lee T. Soard, Kenton, Kentucky; Rex G. Dennis, Wagoner, Oklahoma; Rowan C. Raftery, St. Louis; and David W. Looney, Visalia, California. Men from Groups 14, 15, 16 and 23, under the supervision of S. Sergeant James W. Tabler, prepared the rooms for the dance.

Decorations were taken care of by William Fawcett, Quincy, W. Virginia; James McClellan, Frisbrook, Florida; Norris Thompson, Dayton, Ohio; and Robert Whyte from Southern California. Members of the decorating committee thank Maria Ardiles, Tucuman, Argentina, and Rika Sweringa, of Veendam, Holland, for their assistance.

Kappa Omicron Phi Initiates Pledges

Three new active members of Kappa Omicron Phi, Marilyn Hartell, Jo Ellen Wilson, and Louise Tobin, were initiated in a ceremony that was held on Monday night, October 1, in Room 309 of the Administration Building. After the impressive ceremony a business meeting was held in the Home Economics Lounge with President Betty Curry having charge of the session.

Other officers for this year are as follows: First vice president, Jo Ann Cutler; second vice president, Rosetta Reed; recording secretary, Eleanor Williamson; corresponding secretary, Mrs. Betty Martin; Keeper of the archives, Mary Bauman; guard, Mary Belle Bast; distaff and Northwest Missourian reporter, Harriet Watson; alumnae organizer, Mrs. Betty Martin; treasurer, Barbara Hudson.

Various committees reported on their progress and more plans for Homecoming were made. Kappa Omicron Phi and Colhecon are making a float and decorating a house together. Harriet Watson is the Kappa Omicron Phi representative in charge of the float and Marilyn Hartell is in charge of the house decorations.

Dorothy Noelsch will represent Kappa Omicron Phi in the Homecoming queen contest.

Miss Mabel Cook, chapter founder and sponsor, was also present.

Marilyn Litton Is Independents' Choice

Independent Club members began plans for Homecoming by selecting Marilyn Litton as their queen candidate.

Chairmen for Homecoming were announced by president Oretta Knipmeyer. They are as follows: All float, James Totten and Wilbur Wright; skit, Louise Wintemute and Roberta Cronkhite; house decorations, Frank Babb and Richard Brown; clowns, Bob Conley and Don Mills; coffee hour, Joan Kowitz and Harriet Watson; and jolopy, Eugene Nelson and Beatrice Straight.

National Inspection Is Held by Tri Sigs

Sigma Sigma Sigma's Alpha Epsilon chapter is having national inspection this week. Miss Janet Mayer, traveling secretary, arrived October 8 and will be here until October 11.

Miss Mayer was entertained with a dinner in her honor, Tuesday, October 9. She will attend the sorority business meeting tonight. National inspection is held every three years.

John Koffman Is Elected Quad Mayor; Has Constructive Plans

All Buildings Will Be Decorated for Homecoming Week End; Council Installs New Bulletin Boards

A new group has pledged itself to become part of the Homecoming program. This group is known as the Men's Quadrangle, under the efficient leadership of a reorganized quad council.

Each of the four quads is going to decorate its building, using the theme of Homecoming, to compete for a plaque which will be donated by Lon Wilson and Everett Brown. The winner will retain the plaque until next year, and then the prize will go on to that year's winner.

In addition, all the men are going to work together in decorating all four quads and competing with other organizations for first in house decorations.

Mayor Is Enthusiastic

Recently elected Mayor John Koffman is enthusiastically working for the betterment of quadrangle conditions. He is chairman of the council which includes Keith Adams and Henry Sparkman from Quad One; Charlie Ramsey and Carroll Liechti, from Quad Two; Bill Norton and J. C. Hall from Quad Three; and Bud Kysar and Dean Stuck from Quad Four.

This group will be ably counseled by Chuck Graham and Bob Dillon. These men did an excellent job of conducting the elections and of reorganizing the council.

Council members were selected by the individual quads.

Bulletin Boards Help

Already this progressive group has installed in each quad a bulletin board. Such a board, the council believes, will create more unity in the quad, and, of course, be an information center for the residents of that quad.

Tentative plans of the council include the installation of a telephone in each quad. At present, with the central phone in Quad Five, communications via Edison are difficult and cumbersome. This new system would be something appreciated by every resident in the quads.

Further use of the lobbies for snacks at night is being contemplated.

Past Editors Visit Missourian Office

Gates, Price, Montague, Mrs. Gordon Say Hello

Who should appear in the Northwest Missourian office recently but four of the paper's former editors!

First to arrive on the campus was Paul Gates, editor of the paper in 1947-1948. He had just completed his master's degree at Northwestern University after having spent two years teaching English at Stuart, Iowa. His next stop will be the University of Texas where he plans to do graduate work for a Ph. D. degree. While he was here he visited his nephew, Herbert Awe.

Next to arrive was Jack Price, who was co-editor during the school year of 1949-1950. He is a senior at the University of Missouri where he is majoring in English. Jack had returned from Rush Week and was quite enthusiastic about the possibilities of getting his shoes shined for him every day for a year.

Mrs. Reva Jo Gordon and her husband, Roland Gordon, of Malvern, Iowa, were visitors on September 22. Mrs. Gordon, who was Reva Jo Kerns before her marriage, was editor in 1948-1949. They maintained that they were making arrangements to enroll their two-month-old son, Gary Paul Gordon, in a future college class.

Also on September 22, Jim Montague was added to the list of visitors. Jim was activities editor last year. He is teaching science, agriculture, and drivers' training at Jamesport. When questioned by the staff whether many of the students took drivers' training, Jim casually replied that all the senior girls were taking the course.

Delta Sigmas Develop Better Study Program

During the last meeting of Alpha Phi chapter in Hsieh Chin Tang, vacancies in the offices of keeper of the grades and study chairman were filled. Lucille Steinhauser was elected as keeper of the grades. It will be her duty to check on the scholarship standing of the chapter in relation to the other groups on the campus.

Elected as study chairman was Agnes Steinhauser, who will develop a sorority study program. Meetings of all the Delta Sigma Homecoming committees are scheduled and plans for the float, the house decorations, the alumnae breakfast, and the variety show skit are progressing nicely.

Art Department Views New, Better Location

The art department, which is now located on the second floor formerly occupied by the music department, is looking forward to a new home on the first floor. It is planned that after the Air Force training program is completed, the art department will be moved to what was originally the Bearcats' Den on the first floor.

This new arrangement will afford more floor space as well as a more pleasing site for the work of art students.

Nila Geer is teaching in the Murray, Iowa school system this year. She was graduated in the spring quarter.

Deltas Celebrate Fourth Anniversary

Alpha chapter of Delta Sigma Epsilon was organized at Miami University at Oxford, Ohio, on September 23, 1914, under the guidance of the dean of the College of Education who felt that there was a need for additional sorority opportunities in the teachers colleges.

Miami University is often referred to as the "mother of fraternities" because of the founding of so many outstanding fraternities and sororities there. From this beginning, Delta Sigma Epsilon has grown into a strong, well-organized fraternity with forty-six alumnae chapters throughout the world. Local Alpha Phi chapter was established at Northwest Missouri State College on May 17, 1947. Continuous growth and development have marked the progress of the chapter since its founding.

Members of Alpha Phi chapter of Delta Sigma Epsilon signified their commemoration of the founding of their sorority by wearing white dresses and cream and green ribbons under their pins on September 24.

ACEI Initiates New Members September 24

Initiation for upperclassman and pledging for the new freshman girls were held by the Association for Childhood Education International on September 24.

Following this activity a short business meeting was held. Lillian Witt was elected to the position of secretary and Diane Clements was elected vice president.

The alumni chapter of A. C. E. I. under the direction of Miss Neva Ross will be in charge of the annual dinner for Homecoming. Other plans for Homecoming activities were discussed.

Miss Chloe Millikan, sponsor, gave a brief talk on "What Is A. C. E. I.?" Mrs. Marie Price Hull also attended the meeting.

Delta Sigmas Develop Better Study Program

During the last meeting of Alpha Phi chapter in Hsieh Chin Tang, vacancies in the offices of keeper of the grades and study chairman were filled. Lucille Steinhauser was elected as keeper of the grades. It will be her duty to check on the scholarship standing of the chapter in relation to the other groups on the campus.

Elected as study chairman was Agnes Steinhauser, who will develop a sorority study program. Meetings of all the Delta Sigma Homecoming committees are scheduled and plans for the float, the house decorations, the alumnae breakfast, and the variety show skit are progressing nicely.

Art Department Views New, Better Location

The art department, which is now located on the second floor formerly occupied by the music department, is looking forward to a new home on the first floor. It is planned that after the Air Force training program is completed, the art department will be moved to what was originally the Bearcats' Den on the first floor.

This new arrangement will afford more floor space as well as a more pleasing site for the work of art students.

Nila Geer is teaching in the Murray, Iowa school system this year. She was graduated in the spring quarter.

AAUW Branch Will Have Fashion Show Next Wednesday

On Wednesday, October 17, at 2 p.m. the Maryville Branch of the A. A. U. W. will sponsor a Fashion Show at the Tivoli Theatre. Harvey Haines III will be the director of the show and will be assisted by Miss Nancy Chapman, owner of the Fashion Fair in Kansas City.

Many types of apparel representing different age groups will be shown including coats, suits, casual dress and evening attire. The models will be local people and will include some A. A. U. W. members. Tea will be served in the Tivoli Lounge following the show. Mrs. Marion J. Gile and Mrs. Henry Weiss are co-chairmen in charge of serving the tea.

Other chairmen of the various committees for the show are appointed by Miss June Cozine and the members of the ways and means committee are as follows: Miss Mable Cook, Mrs. Harrison Mutz, ticket sales; Mrs. Donald Sandford, music; Mrs. John Mauzey, Mrs. Charles R. Bell, programs; Miss Doris Hysler, Miss Mary Marie Schulte, ushers; Mrs. T. H. Eckert, Mrs. Dean Dorman, publicity.

Members of the general planning committee are Miss Cozine, Mrs. A. C. Ausherman, Miss Cook, Mrs. J. B. Cummins, Jr., Mrs. Dorman, Mrs. Gile, Miss Hysler, and Miss Jessie Jutten.

Proceeds from the show will go toward completion of funds for a second award of the Dr. Anna M. Painter graduate Loan Fellowship. The first \$1,000 award was made to Miss Joyce Smith, graduate of last spring. Miss Smith plans to attend the University of Tucuman in Argentina this winter to study for her master's degree in Spanish.

Tri Sigmas Sponsor Annual 'Toad Skip'

Alpha Sigma Alpha and Delta Sigma Epsilon sororities were guests of Sigma Sigma Sigma sorority Saturday, October 6, at the annual "Toad Skip" which is an informal dance held at the Country Club.

The dance floor was decorated with modernistic toads. Three large toads, dressed in crepe paper skirts to represent each sorority, adorned the floor. Dwan Wick furnished the music for dancing.

Girls working on committees were Mary Bauman, Dorothy Noelsch, and Louise Tobin, food; Sue McCoppin and Margie Lewis, decorations; Rita Zimmerman, music; Mary White, program; Mary Jo Vernon, invitations; and Jo Ellen Wilson and Jean McClurg, chaperons.

Dr. and Mrs. John Harr and Mr. and Mrs. Harold Mulford were the chaperons.

Peppers Will Have New Uniforms Soon

Putting its best foot forward, the Green and White Peppers pep organization has begun another year of good sportsmanship, practice, and whole-hearted backing of all Bearcat athletes.

Many Peppers took part in the pep rally and parade which was held September 29 in St. Joseph before the William Jewell-Maryville game.

The Peppers will soon be "decked out" in new green and white cardigan letter sweaters. New memberships have been discussed, but no final vote has been taken.

When These Get Together Great Things Can Happen

Big plans are in the making! Representatives from all organizations on the campus join to form the Homecoming Committee which has but one aim—a bigger and better Homecoming for 1951. First row: Mary Lou Moore, Beverly Eile, Mary Jo Winn, Herschel Nelson, Sue Condon, Jo Ellen Wilson, W. E. Ogden, and standing, Melvin Clothier, student chairman. Second row: Dorothy Stanton, Lucille Steinhauser, Oretta Knipmeyer, Dorothy Jean McCartney, Mrs. Lillian Pease, Beverly Harris, Dale Groul. Third row: Richard Bryson, Harold Gray, George Bunch, Ray McClaren, Wallace Croy, Miss Neva Ross. Standing: Dr. John L. Harr, general chairman, Dwan Wick, Dick Gordon, Herbie Awe, and Walt Stanton.

Fraternities Cooperate With Council in Progressive Plans

By JERRY SHEIL

Theta Chapter of Sigma Tau Gamma and Nu Chapter of Phi Sigma Epsilon, in an effort to bring about a more basic realization of the purpose of the inter-fraternity council, have made the first complete revision of the inter-fraternity constitution since 1935.

The primary aims of this council may be stated as this: to promote a greater bond of friendship between the member fraternities, the students in Greek organizations and those of non-affiliation, and to make rules governing pledging and pledgship.

The council in its duties makes the rules governing relations between the fraternities and is empowered to enforce these regulations.

Revise Constitution

In revising the constitution and its by-laws, the council members and the active officers of the organizations have shown a good deal of thought and willingness to cooperate for better understanding between the fraternities and to act in the best interests of our school.

The first revision is in the organization of the governing body of the council. In the past the council was composed of two members from each fraternity and a faculty sponsor from one of the member fraternities, with chairmanship alternating each year between the organizations.

The new organization will be composed of three members from each fraternity, at least one faculty sponsor from each member organization, and the Dean of Men acting as mediator. Also added to the council is the job of keeper of grades. A council member from each organization will be appointed and they will work together to enforce grade rulings and standards set up by the fraternities.

Men serving on the council are to be the president and vice-president of each organization and a third member chosen by a majority vote of the active members of each fraternity.

Garrett and Harr Sponsor Group

Members on the council for the present school year are: Chairman, Bill Ogden, Phi Sigma Epsilon; vice chairman, Bill Corden, Sigma Tau Gamma; secretary, George Coulter, Sigma Tau Gamma; keepers of the grades, Lyle Martin, Phi Sigma Epsilon, and George Coulter, Sigma Tau Gamma. Other members are Melvin (Gus) Clothier, Sigma Tau Gamma, and Bill Baker, Phi Sigma Epsilon. Faculty sponsors are Mr. W. T. Garrett and Dr. John L. Harr.

Mediator for the council is Dean of Men, Mr. Lon Wilson. His duty is to see that what is done by the council is in the best interests of the college.

Voting privileges are given to the active members of the council from each fraternity, and in case of a tie vote, to the mediator. The faculty sponsors give advice to the council members during discussions but do not have the voting privilege.

Rule changes in the first by-laws of the constitution concern pledging and pledgship.

Joe Collier Heads Seniors; Coulter, Lindell, Presidents

Class elections have been completed in the three upper classes, and the following officers have been announced:

Senior Class: Joe E. Collier, Shenandoah, Iowa, president; Joan Hansen, Conception Junction, vice president; Louise Tobin, Burlington Junction, secretary; Mary Lou Moore, Linville, Iowa, treasurer; Dr. Sterling Surrey, sponsor.

Junior Class: George Coulter, Stockton, California, president; Jo Ellen Wilson, Maryville, vice president; Dorothy Noelsch, Oregon, secretary; Jean Long, Easton, treasurer; Mr. George Gayler, sponsor.

Sophomore Class: John Lindell, Shenandoah, Iowa, president; Frank "Bud" Kysar, Hopkins, vice president; Don Corbin, Weston, secretary; Jack Burks, Bethany, treasurer; Dr. John Harr, sponsor.

The freshman class will not elect officers until the winter quarter.

of the Fall quarter; if at that time their grades are not up to the standards set by the council, they will automatically be dropped from pledgship to either fraternity for this school year.

Actives as well as pledges have to maintain the grade average or they are excluded from active participation in the fraternities until such a time as they once more compiled an "M" average.

Objective of the council for this year is to institute on this campus, as is being done on campuses over of the traditional time of hilarity and mischief "Hell Week." In working toward this goal the "Phi Sigs" and "Taus" will have pledges and actives doing constructive duties instead of destructive application of the available manpower during the pledge period.

Faltering Rolla Battles Maryville Tomorrow Night

Miners Establish Unimpressive Record in Non-Conference

Bearcats Have Shown Mediocrity; Can Avenge Defeat of 14-0 Administered by '50 Champions

Coach Gale Bullman's Rolla Miners invade the Bearcat premises for serious business with the Maryville team tomorrow night under the lights. This conference game is of major significance and these MIAA foes will battle sharply for the supremacy which each considers it should have.

Rolla last year swept the conference for a 5-0 record, dropping Maryville in its splurge by a 14-0 score. This year, however, Rolla has had a dismal season, bearing three losses and no victories. Opponents have scored 72 points and held the Miners to 7.

Three Beat Rolla
Powerful Pittsburg beat Rolla in the opening football game, 20-0. Away from home Murray State swamped them 31-7, and Washington University won a shutout.

Astute football theologians, however, are not judging Rolla by her first three games. Maryville remembers only too clearly the dual power behind the team that last year beat them in the mud at Rolla. This dual power was Bullman and Huffman, and each has returned to the Miner eleven.

Gale Bullman has lost something like sixteen lettermen, but regardless of that loss, he still has one letterman for each position on the team, and with such experience in the backfield is going to be rough any time.

Record Is Not Good
Maryville can't boast of any too fine a record. Missouri "B" came from behind to tie a worn-out Maryville eleven, 13-13. Ft. Hays, in seven minutes, scored three touchdowns to beat the Bearcats 20-7, and the greatly favored William Jewell Cardinals managed three touchdowns for a 19-0 win.

But this game will be played at the Bearcat Stadium. And that may mean the difference.

Coach Ryland Milner will have the services again of Paul Tobin, Glen Sherry, and Chuck Graham, his starting offensive backfield which had been sidelined because of injuries. Players like Bill Davis, Kenny Stevens, Duane Freeman, Darrell Pullen, Don Black, and Bob Durham carried on capably and will be suitable reservists.

Hemenway Is Back
Bob Hemenway, quarterback, saw limited action earlier in the season, but now is back in uniform to share the signal calling position with Roger Grunwald. Kurby Lyle has been a stalwart on defense.

Coach Milner's Bearcats have based much of their attack on the passing ability of its quarterbacks. In previous contests, however, the offensive line has failed to give the passer the necessary time for such action. Maryville's forward wall averages more than 200 pounds and if used effectively could ward off any charging opponent.

John Hellerich, All-Conference tackle last year, is the number one man in the line. Carl Leffingwell, Bob Dillon, Howard Davenport, Don Palmer, and Jim Gillett are very adequate supplements.

Coulter and Yurchak Are Ends
Second string, all-conference end last year, George Coulter, holds down the left end of the line. John Yurchak, used additionally for punting, anchors the right side. Ono Monachino and Nelson Kohler come in for reserve action.

Coach Milner this year is using the "T" formation exclusively. In previous years he shifted into the single wing for various plays, but now uses that shift only for punting.

The contest tomorrow night will be the second home game for the Bearcats and their second conference encounter. Maryville played a favored Springfield team last Thursday night.

Rigid Dolphin Tryout Is Mastered by Five

Tryouts to select new members for the Sigma Phi Dolphin swim club were held on September 28. Girls passing the requirements were Patty Colvin, Elva Lee Donaldson, Jackie Donaldson, Delores Murphy, and Peggy Price.

Requirements for swim club membership are satisfactory execution of the following: elementary backstroke, American crawl, back crawl, side stroke (both sides), breaststroke, front dive, motionless back float, surface dive, and treading water. The second tryouts will be held on Thursday, October 4. All who are interested are welcome to try out.

Favored Cardinals Shut Out Bearcats

Jewell Running Attack Pierces Loose Defense

A powerful William Jewell college football team scored a 19 to 0 victory over the Maryville Bearcats Saturday night, September 30, in St. Joseph before an estimated 4500 spectators.

The Cats, rated as a three touchdown underdog, fought the highly rated Cardinals on even terms for the better part of the first half, but wilted under the powerful running attack presented by Coach Norris Patterson's Cardinals.

Jewell opened the night's scoring late in the second period by recovering a Maryville fumble on the Green and White 3-yard line. Cook slipped over from the 3 and it was 6 to 0 as Chuck Priddy missed the conversion attempt. The half ended four plays later.

Cook Sparks Cards
Tommy Cook, a sensational running back, sparked the Cards to their next touchdown. Starting from their own 36 they marched the remaining 64 yards which was climaxed when Cook went around end for the TD. Priddy missed the conversion and Jewell led 12 to 0.

With only three minutes left in the fourth and final quarter Bobby Gadt, by far the game's outstanding player, rammed over from the 1-yd line and Don Mason wound up the scoring by kicking the conversion to give Jewell their 19th point.

New Incentive Creates Fuller Participation in Letter Club

One of the most active organizations on the campus this year is an athletic group called the "M" Club. This is principally so because of spirited officers who are striving incessantly for a better standing.

"Our ultimate goal is to raise the prestige of the organization to the position which it should hold—number one on the campus," exclaims Bob Hemenway, who, as president, is instrumental in driving for higher goals.

Has Two Principal Concerns
On the campus the "M" Club plays an integral part in College activities. Its immediate concerns are Homecoming and Walkout Day. For the latter, continuance of any detrimental effects will be sustained, and a more collegiate, entertaining, hazing program is tentatively being constructed.

"The 'M' Club is also working with the Maryville Quarterback Club for the establishment of a fund which would be used to provide athletic scholarships.

Bob Hemenway, in providing an incentive for such a fund, says: "This is definitely a step in the right direction and the initiative shown by all members of the organization will make the continuance of this program imminent."

Officers Lead
Responsible for the leadership in the rejuvenated "M" Club are President Bob Hemenway, Vice President George Coulter, Secretary-Treasurer Dick Buckridge, Sergeant-at-Arms Charles Ramsey, Publicity Director George Nathan and Parliamentarian Paul Tobin.

Membership in the "M" Club is limited to letter winners in a varsity.

Lettermen Enjoy Innovation of Kangaroo Court for Initiation Schemes

GUILTY or not guilty? The defendant, much to his distress, soon received the verdict from the judge and jury of the Kangaroo Court sponsored by the "M" Club as a preliminary for Walkout Day. Needless to say, the motto above the entrance was ignored while the court was in session. Jury: first row, Carroll Liechti, Ted Redmond, Melvin Clother, chief justice, Wayne Boydston, Bill Hull, Ernie Cornell; second row, Pat Cianciolo, Mary Jo Winn, Beatrice Straight, Henrietta Hoffmeister, Mary Jo Vernon. Standing, left to right: Dick Buckridge, Herschel Martin, Leonard Brooke, John Koffman, Jack Bright, Robert Grunwald, Bob Glenn, Rex Plummer, Don French. Standing around the judge's table are Chuck Graham, Dean Stuck, Walt Stanton, prosecutor, George Coulter, Fred James, Betty Wilson, Bob Dillon, Howard Davenport, George Haws, Carl Leffingwell. John Hellerich, judge, and freshman Bob Fairlie are seated.

WAA Plays Softball Each Monday Evening

Under the leadership of Dorothy Stanton and Peggy Carstens, members of the Women's Athletic Association have been playing softball at the ball diamond south of the Horace Mann laboratory school. Anyone who likes to play is welcome to come. W.A.A. meets each Monday at 4 p.m.

A short business meeting of the active members of the organization was held to discuss the page that will be in the Tower.

Springfield Bears Rip Through Maryville 19-6 in MIAA Tilt

Cashing in on "gift" touchdowns, Southwest Missouri State College, Thursday, October 4, defeated Maryville, 19-6, in the MIAA opener for both teams.

But for the extraordinary touchdowns, it could have been a 6-6 standoff, for Maryville successfully threw back three other Springfield drives inside the 10 yard stripe.

John Yurchak's only bad punt of the night, traveling just 10 yards and out of bounds on the 32, set up the first Springfield thrust. Paul Lees and John Baten alternated in carrying to the three from where Lees passed to Don Simmons for the touchdown.

That came in the second period. With 10 seconds left until the half, Ralph Harrison drilled a desperate pass as he fled from Maryville defensive backs. Don Black held the ball momentarily on the goal line, then fumbled and Lees snatched it out of the air to score again for Springfield. Paul Mullins converted.

Maryville collected its offense in the third quarter and reached the 34 as Roger Grunwald hit first October 3.

Tobin, then Coulter, with long passes. However, on his next two pass attempts Grunwald was thrown for losses. Still battling, the Bearcats started a scoring drive from the 42. Tobin finally scoring on a 21-yard dash through the middle. Reynolds' kick was wide.

An intercepted pass by Ken Haselme, who returned it 28 yards to the 15, opened the door for the third Springfield gain. In one play Springfield gained 5 yards and Maryville was penalized twice, right to the one yard line. From there John Batten plunged across.

Springfield outgained the Bearcats, 197 yards to 67 on the ground, and 126 to 63 in the air.

Second Lieutenant Jon Wolford, who left Northwest Missouri State College to enlist in the Air Force in 1949, was a visitor on the campus October 3.

PEM Club Holds First Meeting September 24

The Physical Education Majors and Minors Club held their first meeting, September 24, at the home of Miss Jessie Jutten. The club, which meets once a month, is open to any woman who is majoring or minoring in physical education. This year the club hopes to affiliate with the National Organization for Health, Recreation, and Physical Education.

At the meeting the women's physical education department announced that the Homecoming tea for women physical education majors and minors, both alumnae and students, will be held on Saturday, October 27, from 9-10 a.m. at Miss Doris Hysler's apartment which is above the Nodaway Drug Store.

By BOB KARIGER

Coach Ryland Milner... lately much concerned over his team's seasonal record... until last year "Taffy" always had more wins than losses.

Weather staying favorable for tennis playing... tournament is generally regarded as a prime tryout for spring tennis team... and those who have racket prowess now get a major letter... Many do not yet consider tennis a major sport on this campus... Dr. Frank Grube... tennis coach... has patiently pointed out that such a movement to list tennis as a varsity sport has begun in several large universities... quoting Illinois as one.

In opposition it is contended that tennis is in the same category as golf... swimming... and ping pong... previously football, basketball, and track were considered major sports... Bob Hemenway... "M" Club president... is concerned about the status of the tennis letter winner in the letter club... a special committee has been designated... will thrash out all ramifications.

Big John Hellerich... star guard of the forward wall... was very effective as Judge of Kangaroo Court... What demoniacal "M" Club members thought of those various punishments.

Place kick artist... Kenny Reynolds... being informed by Dr. John L. Harr that he ought to be pretty sharp in Constitutional History the Monday after the Jewell game... Doc Harr asserts that Reynolds hadn't been working so hard that Saturday night... Maryville didn't score... Reynolds didn't work.

A sketchy survey of the MIAA football teams... Kirksville looms as best in conference... Bulldogs downed St. Benedict's 20-12, top notch Missouri Valley 6-0... and Central at Fayette 45-0... they met Cape Girardeau last Friday... Wayne Goddard may have something in his Cape Indians... this year after losing to Central Iowa 6-0... Cape trounced a favored Millikin eleven 25-0... the meeting between the Indians and Kirksville last Friday may decide conference supremacy...

Springfield got off to a good start... whipped Conway State 19-0... but then Coach Fred Thomsen's Bears were drubbed 40-7 and 28-0 by Northeast Oklahoma and Pittsburg State...

Warrensburg is faring little better... Tate Page's Mules tied Southwest Kansas in the opener but lost to College of Emporia 12-7... and then St. Benedict's 33-21... Last year's champions... Rolla... seem to be the 'cellar team' of the MIAA... Pittsburg took an opener from them 20-0... Murray State followed with a 31-7 victory...

after which Bullman's crew lost to Washington U. 21-0... Saturday night they played Warrensburg... Maryville has a non-impressive record... one tie and two losses... deadlocked Missouri "B" 13-13... but lost to Ft. Hays 20-7... and William Jewell 19-0... Thursday night Milner's men played at Springfield...

Don "Mick" Anderson... most renowned of Maryville distance runners... is not back in school... Uncle Sam beat him in a one way race... Come spring the loss of Mick's contributing points will cripple Maryville's track team...

John Hellerich and Jim Gillett... recent blood brothers... accidental meeting created PUNCH and JUDY effect... Roger Grunwald... quarterback... has primarily been concerned as to who is the recipient of a centered ball... seems the linemen are going all out for this "ball handling" business... George Haws is beginning to wonder how far that can go...

HOMER VERSIFIED:

"...and pines with thirst
midst a sea of waves"

Homer: Odyssey

Homer wrote about
ancient times—before Coke.
Nowadays there's no need to
pine with thirst when Coca-Cola
is around the corner from anywhere.
